אוצר המילים - Champ מילים

For the past week and half the תלמידים of grades 1-4 have been practicing their מילים. Every two weeks a new set of 15 words from חומש will be taught to the תלמידים. After the two weeks there will be a quiz on those words. This Monday will be the first quiz on the first 15 words. The תלמידים who get 100% on their quiz are able to move up a level. There is a total of 21 levels, the first level starting with words that have two letters and then moving to three letters and four, eventually getting to words that have five letters. In order for a תלמיד to pass the level he needs to write the correct words and spell each word correctly.

If parents would like their child/ren to practice at home please go to [quizlet.com](http://quizlet.com) and search Rabbiw to join kita 1-4.

We are looking forward to see so many תלמידים pass the first level!!

## ספגג ןך ידקדד י

Cheder Chabad of Monsey is excited to announce that Tzivos Hashem registration is now open.

Tzivos Hashem is an incentive program to encourage children to grow in Yiddishkeit. The program is geared for girls and boys in Pre-1a through 6th grades. The program includes a weekly checklist, magazine, and a monthly rally with medals and prizes. As your children complete more items on the checklist they will move up in rank.

By registering for this program, you as a parent commit to helping your children complete their weekly mission sheets.

Tzivos Hashem has eased the task for parents to review the mission sheet with their children, by creating a mobile friendly website.
