### א חסיד איז א מסודר

If you were to imagine what a Chosid would look like, how would that be? Well of course he would be organized! Every day boys have a chance to earn **מסודר איז א** auction tickets. For having their shirt tucked in, walking, eating, sitting like a **מסודר**! Having their desks, shelves all neat and in order. The בעש"ט taught that we חסידים need to be organized in everything we do! These tickets are placed in auction boxes for a chance to win a prize. There will be a auction **א"ה** be taking place on Thursday, **כ"ו אלול**. If you still have auction tickets, next week during lunch is when they can be placed in the boxes of your choice!

## Milim Update Grades 5-8

אוצר המילים – Champ מילים

For the past week and half the תלמידים of grades 5-8 have been practicing their מילים. Every two weeks a new set of 15 words from גמרא will be taught to the תלמידים. After the two weeks there will be a quiz on those words. This Monday will be the first quiz on the first 15 words. The תלמידים who get 100% on their quiz are able to move up a level. There is a total of 17 levels. . In order for a תלמיד to pass the level he needs to write the correct words and spell each word correctly.

If parents would like their child/ren to practice at home please go to [quizlet.com](https://quizlet.com) and search Rabbiw to join kita 5-8.

We are looking forward to see so many תלמידים pass the first level!!

## Class News-Third Grade

Third grade had an amazing opportunity to show their classmates their very own science experiment using the scientific method! Congratulations to our winners Yishai Werth and Mendel Goldberg.

## Class News-Fourth Grade

ב"ה we had an amazing start to the year, the boys are learning beautifully with a lot of **חיות**. We have completed the first **פרק** of **מסכת יומא** and have already started **פרשת ויגש**! We are learning many **ימים טובים** in **חומש** and we are learning in depth about the coming **ימים טובים**!

The **תלמידים** are very excited about our incentive program! The **תלמידים** receive tokens when they daven & learn nicely, the tokens earn them magnets from our colorful magnet board (we are already holding by our second color). There is a written message behind the magnets and we are slowly we are uncovering what is written there. Once every magnet is earned we will be able to see what is written there!

The **תלמידים** are so curious to find out what is written beneath these magnets. They wonder if their rebbi knows what is written there. Some **תלמידים** think it's a drawing and others think it's writing beneath the magnets.

In addition to the class reward, there will be a store once a month for the **תלמידים** so they can redeem the magnets for prizes. We can't wait to find out what it is.

## Class News-Eighth Grade

Rabbi Keller came to the Eighth Grade to talk to the boys about the mitzvah of luluv and esrog.

## Minyan

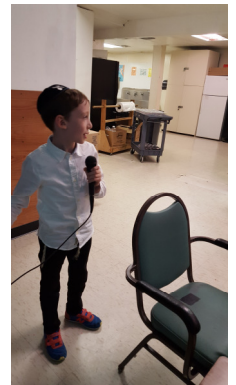

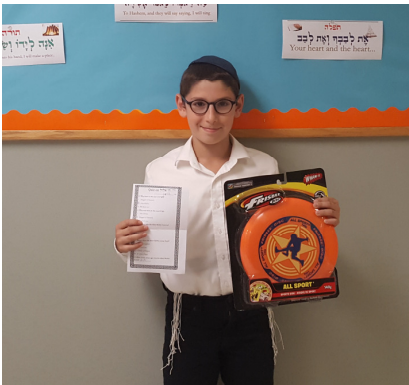

Parents are welcome to join the Cheder Minyan. Monday-Friday 7:35 am. Sunday 8:10 am.

The **ביכורים** of מצוה is to bring from the first of the fruit from the **שבעת המינים** to the **בית המקדש**. The **אידן** would place their fruit in a **טנא**. A **טנא** means, basket. How can a **תלמיד** become a **קדש** like **ביכורים**? He needs to place himself in a **טנא** which means - into the **תורה** of **טעמי המקרא** - **נקודות** - **אותיות**!
