Wow! Thank you to over 55 students who are already registered, we are waiting for the rest of the boys to join the ranks, keep them coming.

B"H

Dear Parents,

We are so lucky to have a wonderful library in the Cheder which the children benefit from on a weekly basis. Each class will have a designated time slot to visit the library and check out books.

The library has been growing steadily over the years and now has a sizeable collection of books.

In order for the library to function efficiently, we need students to understand the value of the books and take responsibility for the books they borrow.

We are asking that a parent sign the permission slip at the bottom of this letter, indicating that he/she has read the letter and allows his/her child to use the library. One permission slip per family (for the boys building) is adequate. As soon as the school librarian receives this signed form, your child/ren will be able to enjoy taking out books from the library.

**Please note:** If your son has a book checked out from last year, they will need to return/ make other arrangements before they are able use the library this year.

Thank you,

Mrs. November
