פתגם השבוע

פעם אמר אדמו"ר הזקן :
חרטה על החטא, צריכה להיות
בדוגמת החרטה של אותו גוי
משקלב.

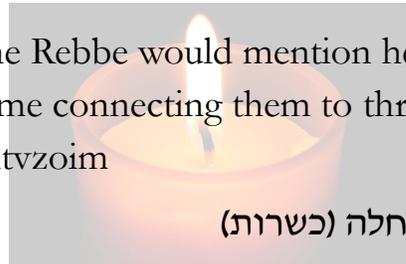

Once the Alter Rebbe said,
Regret for doing a sin, needs to
be similar to the regret from that
goy from the city of Shklov.

The story goes that once a goy from
Shklov went into a boat on the
Dnieper river. That day it was very
stormy and the people of the town
told him not to go. The winds were
strong and he would put his very
own life in danger. He went anyway,
midway the boat capsized and he
screams out "oy, I regret".
