BE A מענטש!

In our elementary school this month, Chodesh Cheshvan, each girl is crossing the Manhattan bridge, with EZ Pass in hand, while working on “being a Mentch”

We had each class make posters that we will hang in the classrooms and around the school. We discussed that we must be a mentch in the classroom, hallways, lunchroom, and even outside in the playground.

Any girl may draw a picture or write a poem on “being a Mentch” and we will feature some of them in our upcoming Cheshvan newsletters.

NEWS

Every year I wait for Morah Yocheved to bring my Nursery "sheep" to show me how Avraham's sheep wore muzzles so they would not take from what did not belong to them.

לך פרשת לך לך lends itself to so many living lessons and hands-on activities. We heard how Avraham listened to Hashem without asking questions and we learned that we can apply this to listening to our parents and Morahs. We counted stars and tried counting grains of sand too! In the younger classes we will be introducing a weekly Mystery Reader.....but you'll have to wait to see what we mean.....it is after all intended to be a big surprise! Wishing you a gut Shabbos.
