 פרשת וירא
 הדלקת הנרות: 4:17
 מוצאי שבת: 5:18

As we walk through each class and watch as they learn and accomplish, let us highlight some of those accomplishments with pride. In כּתה א' they are working so beautifully sounding out words and syllables. They were able to write many words by just listening to them. In כּתה ב' our girls are becoming fluent in prefixes, suffixes and many many שרשים ג'. כּתה ג' have begun עשרה and will be learning the ברכה and טייטש of the entire תפילה ד'. כּתה ד' are almost finished פרשת וישלח. What an accomplishment! We look forward to hearing about Grade 5-8 next week

Last Friday, י"ז מרחשון we made a delicious and creative craft in honor of יארצייט the י"א מרחשון רחל אמינו. We each had a paper that said י"א מרחשון, then we got a spoonful of marshmallow fluff and smeared it onto the paper in the shape of a rectangle. Then we stuck square pretzels on the marshmallow fluff. After that we crushed candy buttons and put them all over the paper. Then we got a few chocolate rocks to put on the paper. This was a very cute way to make an edible קבר רחל.

Preschool NEWS

This week's פרשה so readily came to life in UPK as each class invited the others to be their guests. We learned what it takes to be a good host, and also what it means to be a good guest! We are looking forward to having many opportunities to put it into practice. Everywhere you look these days you can see how beautifully

Hashem made our natural world. In all of our classes we were able to create fabulous artwork inspired by fall colors and the interesting designs of the many different leaves.
