delicious home baked cookies that you gave to the staff at Cheder Chabad Girls and Preschool in honor of

ראש חודש. Thanks for always having the teachers and staff in mind. It is greatly appreciated. We have one question to ask you. How do you find the time?

ENJOYING THE KITCHEN!

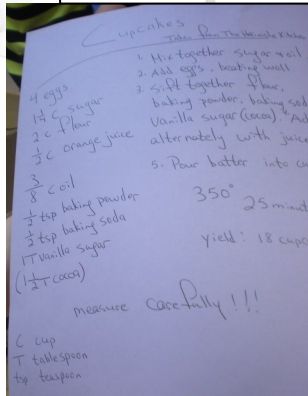

Baking is so much fun! Everyone loved it. We want to do it again. We loved making cookies, honey cake, and more. It was so good. We wish we had it again. We had three groups, one was setting up, baking and cleaning up.

ENJOYING THE KITCHEN

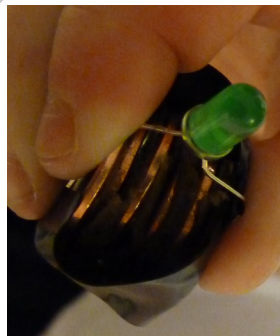

In baking we make all sorts of things. We make cake. We made cup cakes. We make cookies. In baking we put the ingredients together. It is so much fun! Once I poured the flour in the bowl. It is so much fun!

Grade 2

Today was our first science electives. We made batteries out of zinc pennies and cardboard soaked in lemon juice for five minutes. Then we put first one penny then one of the cardboard and then a piece of zinc. That is what made our battery. We used the battery to light up an led light. We had so much fun! Thank you Rabbi Wieder for the most fun class.

ראש חודש

On ראש חודש we had an assembly from Grades 1-5. We began by introducing the new place we are going to be using the e-z pass. The girls have payed the toll and are crossing the Lincoln tunnel. While crossing the tunnel we are working on "Living like a חסיד". Having in mind the phrase "א חסיד אין חסידות"

ראש חודש is a month full of טובים ימים חסידישע, but most importantly it is י"ט כסלו - ראש השנה לחסידות. We hope our students are working on being a מסודר even those that find it to be a little difficult.

READY... SET... GROW

We concluded our ready set grow program for חודש חשוון with an activity decorating eye mask rapping up our month on working on קריאת שמע על המטה. to Shaina Teitlebaums group for accumulating the most points this month This group will get an award אי"ה next week.

Preschool

NEWS

A walk down the hallway in our Preschool will tell you that Chanukah is on its way! We cannot wait for our annual Mommy & Me where we will get to share some songs and enjoy breakfast together with our mommies. This week we had a Tatty surprise in UPK Bais as their Mystery Reader. What a delight it was to be able to have a Tatty join us and we invite all other Tattys to consider taking the opportunity to sign up to read a book to your child's class. The look on his/her face when you walk in will make it all well worth your time!

Wishing you a gut Shabbos,
Morah Yona
