I SPY GREAT THINGS HAPPENING AT CHEDER CHABAD GIRLS AND PRESCHOOL

ח"י אלול

A day that gives "חיות" to the month found our middle school girls treated to a fun, enjoyable and uplifting program. They were welcomed to the lunch-room that was set up beautifully in black and white with a black and white cookie at each place. There was a relay race to find diamonds in a box filled with many other things just like we must find the diamonds of אידישקייט and חסידישקייט just like it gets covered up by so much גשמיות in this world. We learned that the teaching of the רבי אלטער and חסידות is to bring שמחה into all aspects of עבודה. We were introduced to our new middle school program director, Mrs. Gluckowsky who looks forward to working with our girls, getting to know each one of them and inspiring them to become truly polished diamonds. 😊
