Dear Cheder Chabad Families שיחיי,

First and foremost, thank you for a great start to the school year! Although the beginning of a new school year can be an anxious time for both new and returning students and families, as well as a little choppy with all the Yomim Tovim ב"ה, it also brings a palpable, positive energy that flows through our building and community. The New Year brings new friends and teachers, exciting classes and activities, and overall unlimited possibilities. We hope to maintain this energy throughout the school year so that you and your children have a wonderful experience.

Our middle school started "lighting up the school" with a program, a program for חודש תשרי was introduced with many girls participating!!! A fantastic trip is being planned.

Our Elementary Grades ב"ה, always growing, now host parallel classes in grades 1—5. Learning and activities have been evident in the classrooms and hallways. Just this week, on Rosh Chodesh, our elementary school were introduced to the theme of the school year, "TWICE THE LIGHT". Ask your daughter why this is the theme for this year.

The library, run with dedication by Mrs. Zeesy Grossbaum has opened this week. Our avid readers are excited by the huge selection of books.

Lastly and most importantly, I would like to thank you for supporting your child at Cheder Chabad day in and day out. I would like to thank each family who was able to attend our Elementary Open House, which is an excellent way for us to build meaningful relationships with our parents so that we may support our students in the classroom. I would like to take this opportunity to thank our PTA parents who have continually shown appreciation to our staff, and looked for innovative ways to support our students learning. It is you, our supportive parents and families, along with our dedicated and professional staff that truly make Cheder Chabad a special place.

Looking forward to a successful and productive year for all our students,

Mrs. C. Rosenbluh

PTA News

Dear Parents,

We hope you enjoyed a rejuvenating Yom Tov.

The goal of Cheder Chabad Girls PTA is to enhance the chinuch of our children, and create a supportive environment for the teachers and staff.

Last year, we co-sponsored Pre-School activities, such as an apple-picking outing, and a petting zoo to enhance the learning of Parshas Noach. We donated benches for each student, balls, and prizes for extra-curricular programs. The PTA also organized programs such as our annual Mother and Daughter Event, and the exciting PTA Auction. In addition, we collected Box Tops which enabled us to assist in the purchase of a collapsible stage for school functions. Another proud accomplishment is the monthly Rosh Chodesh gift we give to each teacher, to express our appreciation for their dedication to our children.

In addition to continuing the above-mentioned activities, this year we are providing outdoor play equipment for each classroom so the girls can derive maximum benefit from recess time. In addition, we plan to stock each classroom with a variety of games for indoor play. We are also working on implementing a dance/aerobic class for a semester.

We invite you to partner with the PTA in our efforts to help our children succeed in school. PTA membership dues are **\$25 per family**.

Through a partnership between parents and school, we will achieve our goal of creating a happy school environment for our children, IY"H.

Looking forward to a productive year.

We appreciate your support!

You can send in \$25 cash or a check made out to Cheder Chabad Monsey in an envelope and leave it in the office with your name on it. A local Shabbas time magnet will be sent home once your membership has been received!

If you want to get involved with the PTA or to sponsor a month for Rosh Chodesh please reach out to us!

PRESCHOOL NEWS

Dear Parents,

This week it "rained" in every classroom as we learned about פרשת נח and celebrated ראש חודש מרחשון. We built תיבות, experimented with things that float and sink, and learned all about the Fall season. We had a very special visit from נח (Morah Chaya) and the תיבה! The kids had an incredible time petting, combing, and holding the animals that came to Cheder Chabad from Jack's petting zoo. Our students even had a chance to ride the pony! This was really a very special treat! We would like to thank our wonderful PTA who supports us in everything that we do and the Rubin family in honor of Avraham's birthday. The Lehrer family in honor of Tzvi's birthday. The Silverman family in honor of Sholom's birthday. You should all be זוכה to grow up as real חיילים and make the Rebbe proud!

We started science with Morah Michal and learned all about things that sink and float- The kinderlach we're mesmerized as Morah Michal used various objects to see what can sink or float.

In addition, we introduced our Social Skills building curriculum and our puppet friend "Moishe the Middos Mentch," this week and learned the skill of: Respect by Listening Chant:

Eyes are watching
Ears are listening
Voice is quiet
Body still (freeze)

What a wonderful first full week at Cheder Chabad בי"ה. Looking forward to next week!

א גוט שבת!
