Middle School

For Middle School had a checklist of things to do each day. If we did the things on the checklist we were able to go on a awesome trip led by Mrs. Gluckowsky. We went to Pita Land, go carting and miniature golf. By Pita Land thanks to Mrs. Rosenbluh we each got a slice of pizza and a drink. By go carting we had a blast!!! Miniature golf was very fun and cute! Thank you Mrs. Gluckowsky and Mrs. Rosenbluh and everyone who helped organize this awesome and fun trip.

אי"ה test will take place on Tuesday, ה' כסלו, November 13.

הכנה ל"ט כסלו Middle School

As we approach ראש השנה לחסידות, the middle school students are taking topics in תורה and אידישקייט and exploring, learning more about them.

חסידות is meant to change the way we think, the way we talk, the way we act; the kind of people we are! In the next few weeks we will have the opportunity to choose a topic that the girls are interested in and learn, research and work on it.

They choose a topic in the booklet that they received and learn about it, and make it a part of their every day life!

PRESCHOOL

HERE'S THE NEWS

תולדות lends itself to so many Preschool lessons. We learned about twins, and the concept of same and different. We matched, we sorted and made graphs. Most importantly, we learned what good behavior we should copy and what we should not. We learned to STOP AND THINK, and how important it is to make good choices. We made beautiful crafts in honor of ראש חודש כסלו - פארברענגען'ס and celebrated this joyous day with!

Middos Mentch skill of the week:

This week we learned all about Compassion. We are learning so many big words in preschool ☺ With the help of our puppet friends we learned how to help someone feel better. The kinder-lach came up with such wonderful ideas like giving someone a hug, or when mommy kisses their boo boo, and asking a friend if they are ok. We reviewed our other skills as well and everyone is learning so much about using actions to show that we care.

Wishing you a Gut Shabbos and a Gut Chodesh!
