To the students of Cheder Chabad Of Monsey:

We are so thankful to you and your wonderful student body for your involvement in collecting toys for our Annual Honey Engel Toy Drive!

The eagerness with which your students responded to our need for toys this holiday season is a testament to the quality education they receive at your distinguished institution.

Thanks to your students' enthusiasm and willingness to help the less fortunate, this year, we were able to collect over 25,000 toys across the New York region. It is only because of caring people like you and your students that Chai Lifeline can continue its vital work of supporting children and families confronting life-threatening and lifelong illnesses.

On behalf of the over 5,500 Chai Lifeline children and families, we thank you for joining with us to bring joy and a sense of normalcy to these families during the Chanukah season. We look forward to partnering with you again next year.

**Dear Families,**

Welcome to the Six Flags® Read to Succeed Six Hour Reading Club!

Your child's school is participating in an exciting program that encourages students in grades K through 6 to read for fun. *Read to Succeed* is a free program sponsored by Six Flags Theme Parks. Every student who completes six hours of recreational reading before the school's deadline listed on the bottom of this page is eligible for a free admission ticket, valid at the participating Six Flags Theme Park that the school has selected.

Students will develop a greater appreciation for books when they see that you think reading is important too. You are sure to have fun as you investigate the world of reading together!

**Here's what you need to know:**

- Only students in grades K through 6 are eligible to participate.
- Review the attached reading log. Your child will use this reading log to record what and how long he/she reads.
- Your child must complete 6 hours, or 360 minutes, of recreational reading.
- Please initial each entry and then sign the reading log to verify that the 6 hours, or 360 minutes, of reading has been completed.
- Your child can read books, magazines, newspapers, or comic books (digital or hard copy). Reading for homework or a class assignment does NOT count.
- Students can read silently, aloud, or with an adult—you can read to your child, or your child can read to you.
- Remind your child to return the reading log to his/her teacher by the due date that the teacher has written on the reading log. Your child's school will submit your child's information and hours read.
- Late entries will NOT be accepted.

**About the Tickets**

- Tickets will be awarded to students by their teacher/school coordinator in May. Please make sure your child's teacher has awarded the ticket to your child by the end of the school year.
- The ticket is valid for admission to **ONE** Six Flags theme park on **SELECT DATES ONLY** during the 2019 season. Park name and valid dates will be printed on the tickets. Please understand that the school can only select one Six Flags Theme Park. The ticket will only be valid for the park that is listed on the ticket. The valid dates will not be announced prior to the ticket award date in early May.
- Tickets are valid for students in grades K-6 only and are not valid for anyone over the age of 13. No exceptions.
- Each ticket is valid for **one** free student admission only.
- A Season Pass upgrade offer will be available during the ticket valid dates. The upgrade offer information will be printed on the ticket.
- Tickets are **NOT** for resale and are **nontransferable**.
- They **cannot** be replaced if lost, stolen or damaged.

We hope that you and your child enjoy this free program and spend time reading together. If you have any questions about the program or have ticket questions, you will need to contact your child's teacher or school before the school year is over.

# PRESCHOOL

# HERE'S THE NEWS

Dear Parents,

Our preschool is always a hive of activity and learning! In order to increase in our תורה and מצות, as we learned about עשרה בטבת, the Preschool classes created בית המקדש walls where they add bricks corresponding to מצות that they do. In the pre1A, we had such a wonderful week! All the children prepared for our very special trip to ארץ ישראל! The children prepared their suitcases, passports, seat belts, airplane food and notes to take to the כותל. Our Pilot (Morah Chaya), showed us a very important video of safety on the airplane and then we got to see a video of ארץ ישראל and the בית המקדש! It was such a special experience for all the students, some didn't even want to come back! We ended off our trip with the Highlight- a visit at the Kosel where we hung up notes with the מצוות that we will do to help bring משיח!

## Science with Morah Koror:

In science, we continued our unit on the five senses. Last week, we experimented with our sense of smell. This week we learned about sight. The children used mirrors to look at their eyes and learned how the different parts function and protect the eye. They loved learning how we need light to see. Morah blindfolded them and told them to walk to a certain place and it was a real challenge! It was fun trying to catch bean bags with closed eyes. The students loved drawing pictures with their eyes closed then drawing the same thing with eyes open and seeing the difference! We all said the Brocha "פוקח עורים" and thanked Hashem for our eyesight!!

חזק חזק  
ונתחזק!  
Have a  
wonderful  
Shabbos!
