Mrs. Serybranski

As a culmination to the first unit of כתה ז', לייט מלאכות enjoyed a hands on educational experience reenacting part of the מלאכות, from threshing and winnowing to grinding our own wheat and baking חלה.

כתה ד'

Morah Rimler

In כתה ד' "The Extra Mile" program, learning a daily Moshiah thought is one of the missions. When the lunch bell rings, the girls run to learn Moshiah thoughts, learning together on their own initiative. Kita Daled is making the Rebbe proud!

PRESCHOOL

HERE'S THE NEWS

Dear parents,
What a busy and exciting week we had in school! We had fun musical celebrations and paraded around the school with our cute hats in honor of ראש חודש אדר א'. Thank you Mrs. Roth for bringing your guitar and celebrating with the Pre1a kinderlach it really added to our שמחה! This week the UPK kinderlach were very busy learning the ברכות and Morah Nechama started an incredible hands-on unit on the body! The kids have learned how the body works starting with the heart and lungs. They will be continuing this unit for a few more weeks.

Middos Mentch: UPK learned all about taking responsibility for our actions. We learned that this very long word that we clapped out with 6 syllables helps us fix our mistakes and be responsible for what we do. We learned that everyone makes mistakes, but it's what we do next that counts. We can take responsibility for our

actions by thinking about how the other person feels, apologize and then offer to help. We reviewed compassion and discussed what we can do to help our friends feel better once we take responsibility for our actions.

Have a wonderful
Shabbos
