ויעקב הלך לדרכו

I saw a lot of people davening very nicely in תשרי so I will try to daven very nicely a whole year.

Bashke Kaufman—Grade 2

I saw someone davening word for word. And then I thought and thought. If she can do it so can I. Then I thought. I don't have to do for a short of time I can try to do this for the entire year. So I opened my siddur and started again word for word.

In Shul on שמחת תורה,
The atmosphere of true joy fills the air,
I hear singing dancing clapping as men
hold the תורה with care.
Happiness bounces all around the room,
As everyone sings with all their might
Making tumble sauces one after each
other, what a happy sight.
And now I'll pack it up with me,
And now I'll look at each situation in the
best outlook their could be.

Simchas Torah is such a happy time. I saw so many happy faces. I saw the men dancing around the בימה inspiring me to be happy all year round. I will smile more and try to make people really happy. I usually love שמחת תורה it's so much fun. We go to all הקפות all year. My shul throws candy and we make chair towers. Anyway, whenever I think of שמחת תורה I'll be happy

My סוכה Mobile

Imagine a סוכה on wheels,
Well I know just how it feels.
We bought a truck and started building,
When it was done, we drove on a campus and started telling.

If a college student walked by,
Shake לולב? It won't take any time.
If he said yes, we'd invite him right in,
Shake לולב, אתרוג, and הדסים.
Take a brownie, make a blessing,
Here's a flyer, come to Sunday's dancing.
Say good-bye hope they keep in touch,
This is a lot of how my סוכות was!

By: Chaya Zelda Plotkin—Grade 6

I experienced the רבי'ס הקפות and kissed the רבי'ס ספר תורה. This will help me connect to the רבי for the rest of the year!

LOST AND FOUND

Every week we will אי"ה post the items that were found that week. It would be a great idea to label all your child/ren items so you will not have this issue. If it is not claimed within the month it will be donated to Kupat Ezra.

Right now we have many lost items in our Lost and Found box located in the lunchroom. If you are missing something, please look through the box ASAP.

Principal

Grade 1—5 English Principal

Great things are happening in Cheder Chabad. Our second grade worked on an amazing bulletin board highlighting what they have been learning. It shows how energy from the sun passes through living things. It's beautiful and bright and our girls are so proud of their work. Thank you Miss Anteby for helping our girls shine.
