OUR CHEDER'S VOICE

CHADER CHABAD BOYS DIVISION

Dear Parents,

This week's parshah, Ki Savo, opens with the mitzvah of *bikkurim*, in which the Torah describes in a brilliantly visual way, a partnership between a Kohen and a Yisroel.

The farmer would bring his first and best fruit to Hashem in a basket. As the farmer stood in the presence of the *shechinah*, the Kohen would place his hands underneath the hands of the Yisroel and together they would raise the basket up to Hashem.

The Rebbe often spoke about education through the lens of *bikkurim*. During the early years of our children's lives they are *bikkurim* and we dedicate these early years to Hashem, like the farmer offering his first fruit.

The Melamdim are the Kohanim, the servants of Hashem who do the service in the Beis Hamikdosh. The Cheder represents the "four cubits of Torah" which is today's Beis Hamikdosh. It is here that the partnership of the parents and the Rebbis are so closely interwoven forming the proper *haromoh*, uplifting and dedication to Hashem.

May all our efforts be blessed with success and may we continue to watch our talmidim grow nearer to Hashem and his Torah.

Wishing you a good Shabbos,
 Rabbi Kaplan
