

OUR CHEDER'S VOICE

CHADER CHABAD BOY'S DIVISION

LETTER FROM THE MENAHEL:

Dear parents,

Thank you for your herculean efforts in strengthening your children's *chinuch* and Torah learning. Thank you for your patience in setting up zoom and waiting on us getting all the classes figured out. Thank you for adopting your schedules to meet your children's needs between the Boy's and Girl's cheder.

A huge *yasher koiach* to the Rebbies for extending themselves beyond all limits to meet the needs of each student. These times have presented us with the One-Man-Band modal for schooling and their efforts have paid off BH.

As we move from Parshas Noach to Parshas Lech Lecha we are reminded of the eternal call from Hashem to Noach and by extension to all of us "*tsei min hateiva*" it is time to go out and restore the sound of Torah to the broader world. We *daven* that we will be able to get back to the cheder very soon to in-person learning.

Once we get back to in-person learning I will continue to assess the skills of our talmidim and designing a plan to strengthen and build their skills so that they can become independent learners. The younger talmidim should be able to read and understand any *posuk chumash*, the middle school students are striving to be able to learn any mishnah on their own and the junior high is working on their ability to make a "*laining*" that is to be able to decipher and decode any selection of *gemoro* on their own.

Thank you all for continued and unwavering support,

Rabbi Kaplan

Postponed PTC

The upcoming PTC will be delayed until we are able to have a stretch of in person instruction.
