Our Cheder's Voice

CHEDER CHABAD BOY'S DIVISION

LETTER FROM THE MENAHEL:

Dear Parents,

There is a phrase the *Rebbe* used often and has been popularized by Benny Friedman in the song "Ivri anochi", בני אברהם יצחק ויעקב. One may ask, why do *Chazal* use the name Yaakov rather than *Yisroel* in referring to the Yidden?

Chassidus explains that the name *Yaakov* is comprised of two words *yud eikev*. The *yud* represents *Hashem* in the highest form of *hishtalshelus*, *chochmah*. *Ekev* is the heel, the lowest part of the body and represents the lowest position in *hishtalshelus*. The heel has dead skin attached to it, representing the polar opposite of *chochmah* like the *posuk* says "*Hachochmo techaye*". *Yaakov's* role is to deliver the highest level of G-dliness to the lowest people and in the lowest places.

As a Chabad cheder the word *Yaakov* expresses clearly what our mission is. The Torah that we teach is meant to be Torah in its purest form, Yiddishkeit in its truest representation, uncompromising values and core beliefs of ultimate Yiddishkeit "chabad".

We strive to deliver these truths to every single child. We look for ways to reach those who seem not be spiritually sensitive, or seem to be looking for compromise. We don't tire from looking for ways to consistently and persistently imbue in our children the ultimate experience of Chabad *chassidus*, ultimate Yiddishkeit

Yud tes Kislev isn't just a yom tov, it is Rosh Hashonoh, the cycle of our seasons begins and ends with *Chassidus*. May we succeed in instilling these values on a deeper and deeper level in each of our *talmidim* every single day. May we merit the *geulah* of our personal *mitzrayim* and the collective *Geulah* before the ushering in of the New Year.

A PEEK AT OUR WEEK

Dr. Schnitzel stopped by the second grade with all his wares and showed the boys how to melt plastic so that it can be shaped and recycled. He made a face mask as well as assorted jewelry.

(See photos) The boys agreed with me that their kallahs will surely not appreciate these gifts.

We read and discussed the story "A Girl Who Never Made Mistakes". Being a perfectionist is not a good thing. Mistakes are proof that you are trying. We heard examples of mistakes made and lessons learned.

Our focus in math was "skip counting" by fives, tens and hundreds. Good work was done by all!

In third grade we had a wonderful week. The highlight of our week was an art lesson with Mrs. Jacobs where we learned painting techniques and how to use symmetry in art. We created beautiful Chanukah mosaic paintings. In Math this week we continued learning how to read, interpret and create bar graphs and line plots. In our Social studies unit we continued to learn about the continents. This week we "traveled" to Asia and learned about the different regions in Asia as well as the people,

animals and landmarks of the continent. In Writing this week we focused on creating well structured paragraphs about things we are looking forward to do on Chanukah. We ended our week with our favorite News on the Run!

The boys in 4th grade had a great time reviewing the first 4 units of wordly wise, with a crossword puzzle. We reviewed long addition and subtraction as well as 2,3,and 5 times tables.

Grade five started division with one digit divisors. They can also rattle off the multiples from 2 through 12. Congrats!! This is no easy feat. They completed unit five in their Wordly Wise books and will have a test on this next week.

They are taking Big Steps towards completing their short novel titled "Small Steps."

In sixth grade we took a reading comprehension test on the speech, "What America Means to Me."

We also began working on their electronic game and can't wait for it to be completed.

We are so proud of all the work that the talmidim in Cheder Chabad are doing!!

Chanukah Tzedakah Campaign

14 Kislev, 5782

Dear Parents שיחיו,

One of the central minhagim of Chanukah is to increase in giving Tzedakah.

Once again, we are asking Cheder talmidim, with your permission and supervision, to participate in our Chanukah Pushkah Campaign to help raise funds for learning-centered programs at the Cheder.

Chanukah is the Festival of Light and Torah is called light, Torah ohr. The funds of this campaign will go towards providing extra support and incentives to improve students' learning.

Every talmid will receive a personalized Cheder pushkah and will be given the opportunity to collect tzedakah. Talmidim may collect tzedakah from neighbors on the block, or people they meet in their local shuls or at community celebrations, etc. Talmidim may also donate part of their maaser for their chanukah gelt.

The cheder is offering incentives to encourage participation. We have put together a catalog of prizes which talmidim can earn per amount of money they raise. These prizes are not a raffle, prizes are given per qualifying amount collected to every student. Samples of the prizes will be on display at the cheder office.

The deadline for submitting pushkahs and ordering from the catalog is Friday, 6 Teves, 5782.

We ask that you encourage your son/s to participate in this project in a way that raises the pride of our talmidim in the cheder and have them learn responsibility and integrity.

Wishing you a freilichen Chanukah,

לוי יצחק רפאן
