Our Cheder's Voice

CHEDER CHABAD BOY'S DIVISION

LETTER FROM THE MENAHEL:

Dear Parents,

Welcome back to cheder! My heart is filled with joy in seeing and hearing the *talmidim* learning mishnayos and Tanya by heart in preparation of the Rebbe's upcoming 120th birthday, on Yud Alef Nissan.

The hallways are buzzing with the sound of *talmidim* learning and getting tested, from the moment the first bus arrives, throughout the day. Talmidim are seen during recess looking for a cheder approved testers to test them on a recently memorized *mishnah*.

We already passed our original goal set by Tzivos Hashem Headquarters and our *talmidim* are working on doubling the goal.

Please encourage your children to keep up this *mitvza* over Shabbos and offer to test them on a few *mishnayos* or Tanya.

This week's newsletter contains a **new feature** that we plan on adding on a bimonthly basis, a curriculum update sharing the current status on one subject across the grades that are learning that subject. Our focus this week is on Neviim for those classes who are learning it as a text-based subject. It is my hope that you will find this feature helpful. Feel free to share your feedback, comments and/or questions with me.

The cheder is looking forward to welcoming you to PTC this Monday evening. Please be on time in order to keep the schedule running smoothly. The parking lot will be open and the building will open starting 7:20 PM. Your children are excited to open their classes to you and to share their successes in daily Torah learning and playing with Ahavas Yisroel.

Wishing you a good Shabbos,
Rabbi Kaplan
